📋 COMPREHENSIVE SIGNAGE CATALOG

Complete Reference Guide for All Signage Types

1️⃣ BRANDING & IDENTIFICATION SIGNAGE

Corporate Identity

- Reception logo signage
- Reception desk directional signage
- Company name boards
- Building name boards
- Project name boards
- Department name boards
- Department door plates
- Reception desk branding
- Lobby feature walls with logo
- Corporate timeline/history walls
- 3D logo installations
- Visitor badge pickup signage

Room & Space Identification

- Room / cabin name plates
- Conference room name plates
- Meeting room booking displays
- Desk name plates
- Workstation/cubicle numbering
- Locker identification labels
- Storage room name plates
- Archive room signage
- Mail room signage

Technical Space Identification

- Floor identification signage
- Block / zone identification signage

- Server room name plates

- Network room signage

- Control room signage

- Electrical room signage

- Equipment identification boards

- Rack identification boards

- Cabinet identification boards

2️⃣ WAYFINDING & DIRECTIONAL SIGNAGE

Directory Systems

- Floor directory signage

- Building directory signage

- You-Are-Here location maps

Navigation & Routing

- Directional arrow signage

- Wayfinding & navigation signage systems

- Entry & exit signage

- Emergency route signage

- Parking directional signage

- Overhead hanging directional signs

- Visitor route markers

External Wayfinding

- Exterior building wayfinding

- Campus navigation signage

- Loading dock directional signs

- Delivery entrance signage

- Drop-off/pick-up zone signs

- Wheelchair accessible route signs

Language Support

- Multilingual signage

3 SAFETY & COMPLIANCE SIGNAGE

Mandatory & Instructional

- Mandatory safety signage
- PPE instruction signage
- Emergency shutdown instructions
- Instruction boards
- Visitor instruction signage
- Security instruction signage
- Machine operation instructions

Warning & Hazard Signage

- General warning signage
- General caution signage
- Hazard warning signage
- ESD warning signage
- High voltage warning signage
- Radiation warning signage
- Biohazard warning signage
- Slippery floor warning signs
- Overhead hazard warnings
- Pinch point warnings
- Hot surface warnings
- Fall protection zone signage
- Noise hazard signage

Prohibition Signage

- Prohibition signage
- No-smoking signage
- No-mobile signage
- No photography signage
- Authorized personnel only signage
- Restricted access signage

Fire & Emergency

- Fire safety signage
- Fire extinguisher location signage
- Emergency exit signage
- Evacuation maps
- Emergency assembly route maps
- Assembly point signage
- Muster point signage
- Fire suppression system signage
- Emergency contact information boards
- Emergency equipment identification

Medical & First Aid

- First-aid station signage
- AED (Defibrillator) location signs
- Eye wash station signage
- Safety shower signage
- Spill kit location signage

Chemical & Hazmat

- Hazmat & chemical labeling
- Safety data sheet (SDS) location signs

Access & Control

- Lockout / Tagout signage
- Confined space entry signage
- Surveillance notification signage

Traffic & Movement

- Speed limit signage
- Traffic control signage

Occupancy & Capacity

- Maximum occupancy signage

Health Protocols

- COVID-19/health protocol signage
- Social distancing floor markers
- Hearing protection required signage

Compliance Standards

- ISO/OSHA compliance signage

4️⃣ FLOOR & ZONE MARKING SIGNAGE

Pathway Markings

- Floor safety markings
- Aisle marking signage
- Pedestrian path markings
- Material flow direction arrows

Zone Identification

- Zone identification signage
- Hot aisle / Cold aisle markings
- Loading zone markings
- No parking zone markings
- Staging area markings
- Quarantine zone markings
- Inspection area markings
- WIP (Work in Progress) zone markings
- Cleanroom demarcation lines

Equipment & Storage

- Racking identification signage
- Equipment boundary markings

Operational Efficiency

- 5S / Lean floor labels
- 5S tool shadow boards

- Kanban location markers

Movement Control

- Forklift movement signage

Infrastructure

- Cable route markings

---

5 FACILITY & INFORMATION SIGNAGE

Amenities

- Restroom signage
- Cafeteria & pantry signage
- Water dispenser/hydration station signs
- Drinking water signage
- Help desk signage
- Customer service signage

Wellness & Special Use Rooms

- Prayer room/meditation room signage
- Lactation room signage
- Wellness room signage

Access Control

- Restricted area signage

Circulation Spaces

- Lift & staircase signage

Parking & Transportation

- Smoking area signage (designated zones)
- Bicycle parking signage
- EV charging station signage

Environmental & Sustainability

- Recycling & waste segregation signage
- Composting bin labels

Information & Services

- Public information signage
- Lost & found signage
- Building hours signage
- Wi-Fi information boards
- QR code information displays
- Suggestion box signage
- Notice boards/bulletin boards

Accessibility

- Accessibility signage

Technical Infrastructure

- Power distribution signage

6️⃣ IDENTIFICATION & LABELING SOLUTIONS

IT & Network Infrastructure

- Rack identification labels
- Cabinet numbering labels
- Patch panel labels
- Cable identification labels
- Network cable labels
- Color-coded cable labels
- Server identification labels

Asset Management

- Asset identification tags
- Equipment identification labels
- Rack identification labels

- Cabinet numbering labels

- Barcode labels

- QR code asset tags

- RFID asset labels

- Heat-resistant labels

- Weatherproof labels

- Tamper-proof labels

Power & Electrical

- Power cable labels

- Breaker panel labels

- UPS/battery identification labels

Mechanical Systems

- Pipe marking labels (flow direction, contents)

- Valve identification tags

- Gas cylinder identification

- Compressed air line labels

Storage & Inventory

- Drawer/bin location labels

- Inventory shelf labels

- Expiry date labels (for perishable materials)

Quality Control

- Calibration status labels

7️⃣ DISPLAY SYSTEMS & FRAME SOLUTIONS

Wall-Mounted Frames

- Canvas frames

- Aluminum photo frames

- Clip-on frames

- Snap frames

- Poster frames

- Wall display frames

- Branding display frames

- Certificate frames

- Award display cases

Illuminated Displays

- LED backlit fabric frames

- Light box frames

Freestanding Displays

- Acrylic standees

- Floor standing displays

- Tabletop display stands

Specialized Displays

- Menu boards

- Interchangeable poster holders

---

8 DIGITAL & ELECTRONIC SIGNAGE

Display Systems

- LED display signage

- Digital directory boards

- Electronic information boards

- Video wall signage

Interactive Solutions

- Interactive touchscreen kiosks

- Digital wayfinding kiosks

Operational Displays

- Queue management displays

- Real-time occupancy displays

- Meeting room booking panels (outside rooms)

- Emergency notification displays

- Digital menu boards (cafeteria)

- KPI/performance dashboards

- Temperature/humidity monitoring displays

- Visitor management display panels

- Digital safety dashboards

9️⃣ INTERIOR BRANDING SIGNAGE

Wall Graphics

- Glass frosting

- Vinyl wall graphics

- Motivational wall graphics

- Office branding graphics

- Core values/mission statement walls

- Employee recognition boards

- Achievement/milestone walls

- Photo gallery walls (team/events)

3D & Structural Elements

- Pillar wraps

- Ceiling graphics

- Architectural wayfinding elements (branded colors/materials)

Floor & Structural Branding

- Floor graphics/decals (branding)

Window Graphics

- Window decals/perforated vinyl

Elevator & Circulation

- Elevator interior branding

- Stairwell branding graphics

🔟 OUTDOOR & EXTERIOR SIGNAGE

Building Identification

- Building façade signage

- Monument signs

- Pylon signs

- Flag poles with branding

Entry & Boundaries

- Entrance gates branding

- Boundary wall branding

Parking Facilities

- Parking lot signage

- Reserved parking signs

- Visitor parking signage

- Vehicle height restriction signs

Traffic Control

- Speed breaker markings

Security

- Security checkpoint signage

Landscaping

- Landscape/garden signage

1️⃣1️⃣ TEMPORARY, MAINTENANCE & EVENT SIGNAGE

Construction & Maintenance

- Construction zone signage

- Wet floor/maintenance in progress signs

- Temporary closure notices

Events & Promotions

- Event directional signage

- Retractable banner stands

- Portable pop-up display systems

- A-frame sidewalk signs

1️⃣2️⃣ SPECIALIZED INDUSTRIAL SIGNAGE

Cleanroom & Controlled Environments

- Cleanroom classification signage

HVAC & Climate Control

- Cooling/HVAC zone labels

Maintenance & Operations

- Maintenance schedule boards

- Quality control checkpoint signs

📊 SIGNAGE CATEGORIES SUMMARY

Category	Total Items

Display Systems & Frame Solutions	14 items
Digital & Electronic	13 items
Interior Branding	13 items
Outdoor & Exterior	11 items

Category	Total Items
Temporary, Maintenance & Event	7 items
Specialized Industrial	4 items

TOTAL: 220+ Signage Types

🎯 APPLICATION GUIDE

By Industry Sector

Corporate Offices: Categories 1, 2, 5, 7, 8, 9 **Manufacturing**: Categories 3, 4, 6, 12 **Healthcare**: Categories 2, 3, 5, 8 **Retail**: Categories 1, 2, 8, 10, 11 **Education**: Categories 1, 2, 3, 5, 9 **Hospitality**: Categories 1, 2, 8, 9, 10 **Logistics & Warehousing**: Categories 4, 6, 10, 12 **Data Centers**: Categories 1, 3, 4, 6

📝 NOTES

- This catalog covers signage for interior, exterior, permanent, and temporary applications
- All safety signage should comply with local regulations and international standards (ISO, OSHA, etc.)
- Digital signage requires regular content updates and maintenance
- Wayfinding systems work best when implemented as integrated solutions
- Consider accessibility requirements (Braille, pictograms, color contrast) for all public-facing signage
- Environmental factors should guide material selection (weather resistance, durability, etc.)
- **Material options include**: Acrylic, ACP (Aluminum Composite Panel), Aluminum, Stainless Steel, Vinyl, Reflective, Photoluminescent, LED, and Fabric systems
